

The Women's Club of Satsuma is engaged in building a replica of the first church in Satsuma, the Union Chapel. We are raising funds to build this chapel on the grounds at Steele Creek and are offering these paver bricks to be laid in the walkway leading up to the chapel. The bricks will be used to recognize you or your family as a permanent remembrance. Please join us in building this commemorative chapel.

**WE LOVE OUR  
MARY ATCHISON**
